

ERASMUS Key Action 3 Policy Experimentation, «School-wide positive behaviour support (SWPBS)»

NEWSLETTER II – 12th SEPTEMBER 2021

PRESENTING SWPBS TO THE 85th THESSALONIKI INTERNATIONAL FAIR

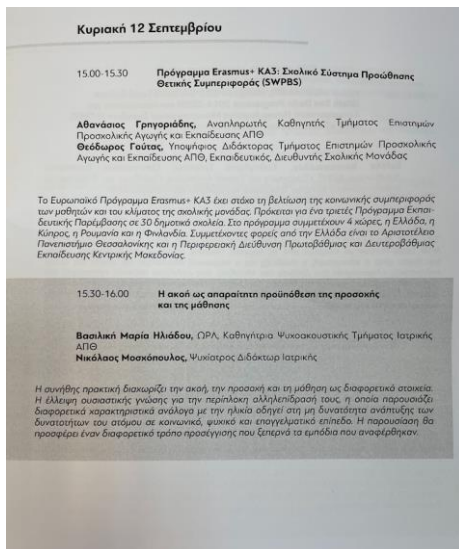

On the 12th of September 2021, the Erasmus+KA3 Project ‘Building School-Wide Inclusive, Positive and Equitable Learning Environments Through A Systems-Change Approach’ (code: 606687-EPP-1-2018-2-CY-EPPKA3-PI-POLICY) represented the Aristotle University of Thessaloniki in the [85th Thessaloniki International Fair](#).

More specifically, during the parallel events in Exhibition Area 14-ACADEMIA, on the 12th of September at 15.00, a presentation with the

the title

“Erasmus+ KA3 Project-SWPBS: School-Wide Positive Behavior Support” was

conducted with great success and with a wide audience attending the event.

During the presentation, the AUTH team presented the consortium partners, the main goals of the project, its central actions and activities and also the main research findings that arose from the two-year intervention implementation in 30 primary schools of the Perifereiaki Diefthinsi Protovathmias &

Defterovathmias Ekpaidefsis Kentriki Makedonias (KMAKEDPDE).

The presentation was concluded with the mention of the main impact of the project and the sustainability actions for the continuation of the impact after the project's lifetime.
