

ERASMUS Key Action 3 Policy Experimentation, “Building School-Wide Inclusive, Positive and Equitable Learning Environments Through A Systems-Change Approach”.

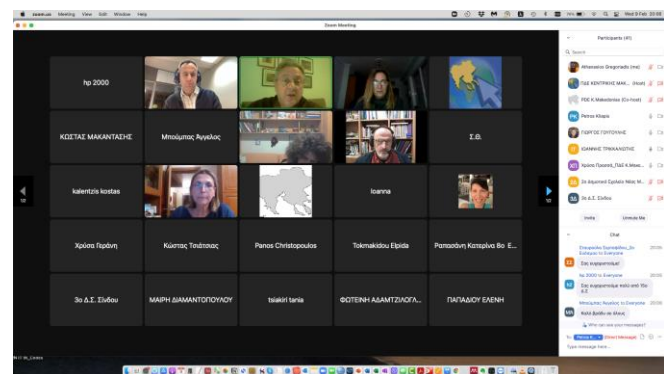

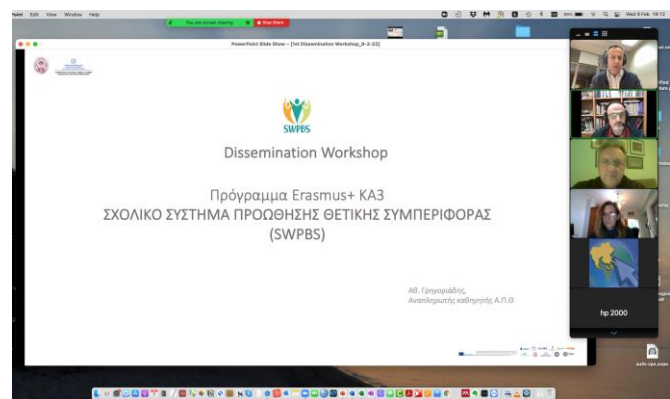

## NEWSLETTER – 17<sup>th</sup> February 2022 KMAKEDPDE & AUTH DISSEMINATION WORKSHOP

On the 9<sup>th</sup> of February 2022, the Perifereiaki Diefthinsi Protovathmias & Defterovathmias Ekpaidefsis Kentrikis Makedonias (KMAKEDPDE) in cooperation with Aristotle University of Thessaloniki (AUTH) organized a Dissemination Workshop for the project Erasmus+KA3 Project ‘Building School-Wide Inclusive, Positive and Equitable Learning Environments Through A Systems-Change Approach’ (code: 606687-EPP-1-2018-2-CY-EPPKA3-PI-POLICY).

The Dissemination workshop was hosted for primary school principals and school counselors who are interested in adopting and implementing the SWPBS approach in their schools. This dissemination-sustainability booster event was organized in an online meeting on the 9<sup>th</sup> of February at 19.00.

Dr. Gregoriadis from the AUTH team and Dr. Trikkaliotis and Dr. Kliapis from the KMAKEDPDE team presented to the participants the project’s goals, aims, rationale, outcomes and results. In addition, they presented successful examples and case studies to inform the participants about the benefits of the project’s approach.

The dissemination workshop was very successful, and 43 school principals and school counselors participated in the event. The participants are expected to

function as multipliers of the SWPBS approach and inform their school staff (the principals) and the schools they supervise (the school counselors).
